

Alabama Bankers Service Corporation

Thumbprint Signature Program

Bank Order Form

All items listed below feature the Thumbprint Signature logo printed in red and black.

Touch Pads – the pads have a shelf life of 18 months or a minimum of 500 impressions. Banks should order enough for all tellers and drive-through staff.
Teller Window Display – banks should post these 6" x 3" "tent style" display signs at all teller windows as an additional reminder that they participate in the program.

Statement Stuffers – the 3.5" x 7.5" brochures explain the mechanics of the program. Banks should send them as a public service announcement to all account holders and have plenty available for anyone who might have questions about the program. Please order in increments of 500.

Decals – banks should post decals at all entrances to let people know that they are participating in the program and to warn potential criminals that their crimes will not go undetected. They may also want to post decals in their drive-through stations.
